

Fall 2011-2012
Adult Spanish Registration Form

Join us learning Spanish in a fun and safe environment! Our Adult Spanish Classes allow you to learn at your own individual pace. Regardless of how much language exposure you have had, our instructors will get you ramped up quickly so you can start practicing your language skills. Sombrero Time instructors are exclusively native speakers and are a pleasure to work with! Classes are offered in two levels, Pequeño Español & Pronto Español (see description below) and follow our theme based curriculum. Three 10 week sessions are offered over the course of the year with the first session beginning in September 2011. To register please select your class and write a check for tuition. We must receive your registration form and tuition payment before the first day of class.

Class Description (Please Select One)

- Pequeño Español-Every one needs a place to start. Pequeño Español is moderately paced with relatively focused content offered to newer students. If you have no formal Spanish background or are interested in re-engaging the language after a long hiatus this class is for you.
- Pronto Español-For those students who acquire language quickly or have had two or more years of language exposure Pronto Español is a great option. This class will move quicker while providing deeper exposure to content and conversational use of language to challenge the student.
